## E- Circular/Parent's Consent Form

Dear Parents,

We are please to inform you that our School is participating in India's largest astronomy challenge – **National Astronomy Challenge (NAC) 2018!**

**NAC (National Astronomy Challenge)** is an endeavour endorsing excellence in S.T.E.M. and S.T.E.M.-related careers; particularly in the field of Astronomy among the most-talented secondary and higher-secondary school-going children of India. It is an annual astronomy-related challenge for school students, having interest in the field of astronomy and astrophysics.

This year, the top ten national finalists along with their school representative will be invited to join award felicitation ceremony in Dubai and would be participating in 4 days astronomy camp at Dubai, hosted by Dubai Astronomy Group. The top rankers from each school will be appreciated and recognised with medals and merit certification.

Interested parents are requested to fill the form below for your child to take part in **NAC 2018**.

I would like my child to appear NAC 2018-
